2. Please meet your guide after 26 Mar 24 for necessary instructions and guidance and follow the 'Guidelines for Project Work and Laboratory Experiments', available at www.ieindia.org under Academics-downloads. Please ensure that one copy of your project report must be sent to the undersigned by 31 May 24. A copy of the project report should also be submitted to your project guide for assesment. Your project guide is expected to send the project report duly evaluated to this office by 07 Jun 24.

3. If copies of your project report and/or project report duly evaluated from your designated project guide are not received within the stipulated date, the grade obtained in the project work shall not be included in your grade card of Summer 2023 examination. Therefore it is essential to ensure from your project guide that your project assesment report was sent within the stipulated date, that is 07 Jun 24.

4. In case you are unable to complete your project work within the stipulated date for ensuing term, you may submit your project report to the Project Guide subsequently. In such an event the result of project work shall be declared in the subsequent term of the examination. No further communication is required from the headquarters in such an event.

Thanking you,

Yours faithfully,

Dr Jitendra Saxena
Director (EEA)
