

# Study Material for Recruitment Exams (Junior Engineer)

## Civil/Electrical/Mechanical

Dear student,

Are you preparing for any recruitment exam? Or someone among your colleagues? After the immense success of AMIE packages and on persistent demand from aspirants preparing for recruitment exams (Junior Engineer), we came up with study material for recruitment exams.

Our study material for recruitment exams is a **best compilation** from highly esteemed sources which comprehensively covers all topics as per the format of the written test. The intention of this course is to provide extensive preparation and practice on all papers - objective, conventional, quantitative aptitude and general awareness. **The course is a mix of both offline (printed course) and online mode.** Each of the topics is treated in sufficient depth to facilitate understanding and provide confidence to aspirants.

### Features

- ✓ **Printed Course** Printed course material contains over 600 pages covering plenty of MCQs with hints and answers. These questions are taken from various recruitment exams viz. SSC, RRB, PSCs etc.
- ✓ **Online Study Material** Our printed course material is further supported by mind blowing online support. It includes both objective and conventional questions with solutions. General intelligence & reasoning, GK, General Maths and English and many other important topics. Our online support is updated frequently. You can **download** online study material.

### Course Material

- The entire *printed* course material is divided into number of modules consisting of basic theory (including questions from SSC, RRB etc.), MCQs with answers and quantitative aptitude tests.
- Online study material is given at **www.amiestudycircle.com**
- The course is *updated* regularly, and additional material/upgrade is always available on our website.
- No text book/guide/solved paper study is required with our course.

### Online Support

You can access online support at **www.amiestudycircle.com**. This support includes (a password will be sent at your email id to avail this facility)

- Solved questions papers (mcq/conventional) from various recruitment exams
- Mock tests with answers (for practice)
- Numericals/theory with solutions (for conventional paper)
- GK
- General Intelligence & Reasoning
- General Maths

---

### Despatch of Course Material
